

Stelara withMe

Personalized Help— Every Step of the Way

What do we mean by personalized? Your dedicated STELARA withMe Nurse Navigator will listen to your needs and offer support and resources that are available to you, all with YOUR treatment journey in mind.

Nurse Navigator

From how to self-inject to how to make medication more affordable, there's a real registered nurse ready to help you—and they're just a phone call away.

Prescription & Cost Support

Get help verifying your insurance coverage, understanding how to fill your prescriptions, and looking for options that could make treatment more affordable.

Treatment Support

Your Nurse Navigator can help schedule your one-time IV infusion, provide self-injection training, and offer support to help you stay on track throughout your treatment journey.
